Independent Auditors' Report

To the Shareholders and Board of Directors of
SAWAI PHARMACEUTICAL CO., LTD.:

We have audited the accompanying consolidated balance sheets of SAWAI PHARMACEUTICAL CO., LTD. and consolidated subsidiaries as of March 31, 2009 and 2008, and the related consolidated statements of income, changes in net assets and cash flows for the years then ended expressed in Japanese yen. These consolidated financial statements are the responsibility of the Company's management. Our responsibility is to independently express an opinion on these consolidated financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in Japan. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of SAWAI PHARMACEUTICAL CO., LTD. and consolidated subsidiaries as of March 31, 2009 and 2008, and the results of their operations and their cash flows for the years then ended, in conformity with accounting principles generally accepted in Japan.

Without qualifying our opinion, we draw attention to the following:

- (1) As discussed in Note 2(e) to the consolidated financial statements, for the year ended March 31, 2009, the Company and its consolidated subsidiaries adopted the new accounting standard for Measurement of Inventories.
- (2) As discussed in Note 2(k) to the consolidated financial statements, for the year ended March 31, 2008, the Company changed the accounting standards for the reserve for sales returns.
- (3) As discussed in Note 2(l) to the consolidated financial statements, for the year ended March 31, 2008, the Company calculated the reserve for sales rebates.

The U.S. dollar amounts in the accompanying consolidated financial statements with respect to the year ended March 31, 2009 are presented solely for convenience. Our audit also included the translation of yen amounts into U.S. dollar amounts and, in our opinion, such translation has been made on the basis described in Note 1 to the consolidated financial statements.
